Scouts to Open MOD Drive With Blockade

The annual March of Dimes drive will open here Saturday morning with the Scouts of Troop 43 holding a street blockade downtown from 10 a. m. until noon, according to Bob

Craig, president of the Hamlin Lions Club, sponsors of the Hamlin polio drive. The drive which will continue through the end of January will feature the appearance of

QUACKY, THE STORYBOOK CLOWN to perform here for March of Dimes

Quacky to Perform for March of Dimes Sun.

Quacky, the story book clown, will pull into Hamlin Sunday afternoon in his polka-dotted Cadillac and a polka-dotted trailer to put on a benefit show for the March of Dimes at the Rogue Theatre at 3:30.

Quacky will be in Hamlin following several shows in Abilene including the March of Dime Teen-age Program Carnival and parade. He will go from here to Rotan Sunday afternoon to put on a performance at the theatre there.

Proceeds from the show here Sunday will go to the Jones County Chapter of the March of Dimes.

A veteran March of Dimes

performer, Quacky has been doing benefit shows since 1948. So, about this time every year he gets the March of Dimes fever. His personal experience with a birth defect baby has sold him on the March of Dimes research to prevent and correct birth defects.

In real life Quacky is Eddy Vaughn, president of a sales promotion consulting business in Haysville, Kan. Quacky does magic tricks, twists balloons into animal shapes and creates illusions. He is a voluntary, non-paid performer.

"My biggest paycheck is having some little kid look up at my face and say, 'Mamma, he's real.'"

"Quacky" the storybook clown at the Rogue Theatre Sunday and the annual Mother's March Friday, January 29.

Bill Longley of Stamford who is Jones County Chairman for the March of Dimes this year says that the county fund went in the red this past year and that every effort needs to be made this year to make up this deficit and to build up a reserve in the fund.

Mr. Longley said that while new polio cases have just about stopped in the county there are still quite a few children who contacted the disease back before the vaccines that need assistance every year.

The boy scouts will hold their blockade at the red light downtown Saturday morning and will also work the downtown streets, according to J. O. Murphree, scoutmaster.

"Quacky" the clown will be on the stage at the Rogue Theatre at 3:30 Sunday afternoon auctioning off balloons and taking up donations for the March of Dimes. Darwin Barnes, theatre manager, has made the arrangements for the clown to be here for the afternoon performance following his appearance at Abilene.

Mrs. Jack Vaughn, president of the Parent - Teachers Association, said this week that the women of the P-T A will take part in the Mother's March this year. Mrs. Elwood Ham-bright, chairman and Mrs. R. L. Goodgame of the Public Affairs Committee will draft plans for the drive.

Donations will also be taken up for the MOD in the first six grades of the local school system.

Services Held Here Saturday for Leo Parker; Dies Friday

Services were held here Saturday at 2 p. m. in the First Methodist Church for Leo Parker, 44, a lifetime resident of the Hamlin area. He died Friday at Hendrick Memorial Hospital at 4:15 Friday where he had been hospitalized for six days.

Born May 11, 1920, at McCaulley, he was the son of the late Mr. Ira Parker and Mrs. Ruby Talmadge of Hamlin. He was married to the former Louise Jenkins at Durant, Okla., Dec. 12, 1950.

He was employed in construction work.

He was a member of the First Methodist Church where services were conducted by the pastor, Rev. Royce Womack. Burial was in Hamlin East Cemetery.

Survivors include his wife; his mother, a daughter, Mrs. Janice Cochran of Littlefield; a brother, Kenneth of Hamlin.

Boy Scout Fund Drive to Start Here Thursday

The annual Boy Scout finance drive will get underway here this Thursday (today) with a briefing meeting to be held at Bunnie's Restaurant at 5:30 p. m. for all workers, according to Weldon Johnson and Harold Bonner, local chairmen for the drive.

The drive is usually held in the fall but this year it has been delayed until this time. There has been two meetings held here in planning the drive and lining up the workers.

There are 112 boys taking part in the Scouting program in Hamlin this year with boys in the Cub, Scout and Explorer programs.

Pipers Break Losing Streak, Down Tigers

The Pipers edged out the Anson Tigers here Tuesday night to end a three game losing streak and even up their district mark at 3-3 at the end of the first round of play. The Pipers won the 5-AA contest 53-48.

The Hamlin five jumped to a 16 to 7 lead in the first quarter but then saw the Tigers tie it up by half time. They picked up three points in the third period and two more in the final stanza to win by five points.

Anson's Andrus was the game's high point man with 20 points. Shivers hit 14 for the Pipers, followed by Pearce and Cumble with 12 each.

Anson won the "B" game 31-27.

The Pipers are off Friday night and will host Stamford here next Tuesday.

Father of Mrs. Donley Williams Dies in Rochester

Services were held Monday at 10 a. m. in Rochester First Baptist Church for Ernest Gary Bishop, 73, father of Mrs. Donley Williams. Mr. Bishop, a retired West Texas Utilities accountant who died in Knox County Hospital in Knox City, Saturday was a Mason and a member of the Baptist Church.

Rev. E. V. Brooks, pastor, conducted the service. Burial was in Cedar Hill Cemetery in Abilene.

Surviving are his wife, Dolly, a teacher in the Rochester public school system; three daughters, Mrs. Williams (Jayne) of Hamlin; Mrs. Peggy Newman of Abilene and Mrs. Rex Dozier of Mangia, West Pakistan; four sisters and six grandchildren.

Junior Class Play To Be Presented Here January 28

"You Can't Take It With You" will be presented by the Junior Class on Thursday evening, Jan. 28, at 7:30 p. m. in the high school auditorium.

There's a laugh a minute in this entirely different story of a perfectly wacky family. Each member goes his own way, but never forgets to consult Grandpa, the patriarch and all-wise counselor.

Photo Contest Winners Named

Winners in the children's photo contest have been announced by Winston B. Lucas of Irving.

First place was Melissa Corrigan, daughter of Mr. and Mrs. W. B. Corrigan; second was Russell Boyd Crowley, son of Mr. and Mrs. James Crowley; and third was Jamie Louise Watson, daughter of Mr. and Mrs. Troy Watson.

PIPED PIPER STAGE BAND to play for BCD Banquet Friday night

Annual Banquet Friday To Feature Dr. Jarvis

The top civic event of the year will be unfolded here Friday night as the Hamlin Board of Community Development holds its annual banquet in the high school gymnasium starting at 7:30.

It will be a time to look at the past year as retiring directors and officers are honored and a time to look to the

future as new officers and directors take over.

Guest speaker for the occasion will be the well-known "Flying Dentist", Charles W. Jarvis of San Marcos, Texas.

The professional speaker believes in the humorous approach to life and his presentations are loaded with humorous stories, jokes, anecdotes, but at the same time carry a message of human relations, public relations, spiritual reward, and success.

Leldon Clifton will be master of ceremonies.

Entertainment will be presented by the Hamlin Stage Band under the direction of Tim Jones.

The invocation will be given

Piperettes Edge Anson, 32-29

The Piperettes tied up their district won-loss record here Friday night when they downed the girls from Anson, 32-29.

Judy Jenkins sank 21 points for the Piperettes while Sandra Hunt dropped in 16 for Anson. The Hamlin girls are now 2-2 in district as they start their second round of action.

The Piperettes are open until Friday night, January 29, when they will travel to Haskell.

Longtime Sylvester Resident, Mrs. Free, Dies Here Sunday

Mrs. Mattie Free, 87, longtime Sylvester resident, died at 7:40 a. m. Sunday in Holiday Lodge nursing home in Hamlin. She had been a patient in the Rotan Nursing Home four years before transferring to the Hamlin home two weeks ago.

Funeral was held at 3 p. m. Monday in Sylvester Methodist Church with the Rev. Delton Fisher, pastor, and the Rev. H. O. Abbott, pastor of First Methodist Church in Roby, officiating. Burial was in Sylvester Cemetery.

Born Aug. 11, 1877, in Hartsville, Ala., she moved to Eastland County with her parents in 1890. She married James M. Free in 1900 in Eastland County. The couple farmed at Sylvester from 1916 until Mr. Free's death in 1939. She was a member of Sylvester Methodist Church.

Surviving are one daughter, Mrs. Opal Josey of Hamlin; five grandchildren, 13 great-grandchildren and one great-grandson.

Pallbearers were Jim Beck, Jimmy Nelson, Roy Kiser, Alfred Douglass, Robert Scott, Jr., Forrest Perkins.

Date Set for Annual Exes Homecoming

Preliminary plans for the annual Homecoming have been made by the officers of the Ex-Students Association. Date for the event has been set for Oct. 16 when Cisco will be the opponent for the Homecoming game.

Letters are being prepared for mailing to former students and teachers. They will probably be in the mail next week, according to the organization president, Robert Fowler.

Attending the meeting Tuesday morning in the Fowler home were Mrs. Joe Wayne Carter, Mrs. J. L. Blanton and Mrs. Garland Preston.

Mr. and Mrs. J. E. Trueblood of Vernon visited Monday and Tuesday with their son and family. Mr. and Mrs. Dan Trueblood, Daniel and Tony.

Decisions for Future Texas Water Needs Must Be Made Soon

Initial decisions for water supplies needed for the next century will have to be made in this decade if Texas' growth and prosperity are to be assured, according to a Texas Research League report issued today.

The report also concludes that sound foundations for State leadership in water development have already been laid, but that some broadening of financial powers, realignment of administrative functions, and expansion of authority for existing agencies will be required.

The League report, entitled, "The Structure and Authority for State Leadership of Water Development in Texas," is the first of four bulletins planned by the League. The reports summarize the results of a two-year study jointly requested by the Texas Water Commission, the Water Development Board, and the Water Pollution Control Board.

In the first report it is recommended that the engineering and planning functions of the

Texas Water Commission be transferred to the Water Development Board, which would then have full responsibility for developing a State Water Plan and promoting its implementation. The Board would have the financial resources and authority to make loans or investments for local project development, to cooperate in federal projects, or to initiate State projects where no other suitable authority was prepared to undertake the task.

Under the proposed realignment, the Texas Water Commission would revert to its pre-1957 role as a water rights administration agency, but it would be given expanded responsibilities for clarifying existing water rights, adjudicating disputes and protecting both the public interest and private rights in future water development. The role of the Commission is being spelled out in detail in the League's second report, due for release in the near future.

Primary emphasis is laid in

the League's report on the implementation of a State Water Plan, now being prepared by the Texas Water Commission at the request of Governor Connally. The report concludes that the prestige of the State, its Governor and its water leaders has been committed to the task of State leadership in water development. Failure to follow through on this commitment would be a major blow to responsible State government.

Noting that State leadership is needed to coordinate the separate plans of the many local and federal water agencies, the report states that the current conflict over uses of the waters of the Colorado River between upstream and downstream claimants and various economic interests is the "products of a passive State role." The report also notes that both local and federal agency spokesmen have welcomed Governor Connally's decisive action in providing State leadership for water planning. With Governor Connally's action, the first objective of the League's study was realized.

Concluding that the Water Development Fund provides an

effective basis for State participation in water project financing, the League report points out that fund is "upside down" in the purposes for which it may be used. Up to \$100 million may be loaned by the Water Development Board on "thin" deals to local agencies which can obtain no other financing. Though serving a worthy purpose, this feature applies principally to small local projects which do not reach the major State needs for water development.

The "investment" feature of the fund, by which the State may buy storage in local or federal projects to encourage their optimum development, is limited to a total State commitment of \$50 million. Yet this second feature will be much more useful in implementation of a State Water Plan.

The purposes for which State investments may be made should be broadened to include buying or building conveyance

works for transporting water from reservoirs to wholesale purchasers, the League recommends. And the total \$200 million authorized by Constitutional amendment should be made available by enabling legislation.

No criticism of existing agencies or personnel is implied in the proposed changes which are intended only to strengthen the State's leadership role, the League report states. Both the Texas Water Commission and the Water Development Board have done an excellent job within the context of their present responsibilities and authority.

Pointing out that no new State agencies would be created and no great additional appropriations would be required in the next biennium, the League report states that the recommended changes would not disturb

the historic responsibilities of local and federal water development agencies. They would provide the most effective and economical development of the State's most valuable natural resource.

Mrs. A. A. Hackley Elected President Woman's Literary

Mrs. A. A. Hackley was elected president of the Woman's Literary Club at the Friday afternoon meeting in the home of Mrs. J. W. McCrary.

Other officers elected for the coming year were: Mrs. R. D. Moore, first vice president; Mrs. Bob Craig, second vice president; Mrs. A. B. Carlton, recording secretary; Mrs. A. A. Wade, corresponding secretary; Mrs. W. A. Cassle, treasurer; Mrs. C. F. Cook, parliamentarian; Mrs. J. W. McCrary, musician; Mrs. Joe Simpson, reporter and Mrs. L. M. McBride, oratorian.

Mrs. John D. Ferguson, vice president, presided in the absence of the president, Mrs. Donley Williams.

Mrs. C. F. Cook made a report concerning the Sears Roebuck Club Projects.

Mrs. Hackley showed colored slides of her trip to Europe. She was assisted by Mrs. McCrary who made the trip also.

Also included in the presentation were slides of the Big Bend country of Texas, Mexico and Canada.

Mrs. Moore closed the program with a poem, "Prayer for Vacations" by Burleson.

The next meeting will be held in the home of Mrs. C. F. Cook, Feb. 5 when the book, "The Wooden Horseshoe" will be reviewed by Mrs. Ferguson.

Officers will be installed April 16:

FAIRVIEW NEWS

By MRS. ELMER JOINER

Ever one out our way has settled down to work once again, after the beginning of a new year. This time of year the farmer is always optimistic this just might be the year that he makes another bumper crop, some times it is just the opposite, it is one of those years that he just gets by, but he is used to it so he just comes up for air again the next year, it is all in the farming game.

Not so many are ill as were last week, but attendance was very light in services, both times Sunday. Seems that several families had company and viewed by Mrs. Ferguson.

Officers will be installed April 16:

when just a few miss, they are really missed.

Mr. and Mrs. Henry are still not feeling up to coming out, we understand he is better, but she still isn't up to par. We hope she soon feels her usual spry self again.

Sunday night visitors were Mrs. Tanner and Larry, Abilene, who had spent the day with her daughter, Rev. and Mrs. Leverett and girls.

Rev. Kenneth Leverett will leave Monday for Dallas, where he will attend the Evangelism Conference, held in that city, which will last through Wednesday.

Forty-eight people were present last Friday night, in the home of Mr. and Mrs. Woodrow Goodwin, when their friends met with them to celebrate their moving into a new home. Many beautiful gifts were brought. After the gifts were opened by the honorees, refreshments of coffee, punch and home made cookies were served. Their new home is situated in the south part of Hamlin, being just another farmer going into town, as he will continue to farm.

Mrs. Fred Rosenbaum visited with Mrs. Henry Friday afternoon.

Sunday afternoon, Mr. and Mrs. Rosenbaum went to Anson where they visited with Mr. and Mrs. Thomas Moss.

Visitors of Mr. and Mrs. Winson Gray Sunday were two of Mrs. Gray's cousins, Mrs. Melba Archibald and four children from Abilene, Mr. and Mrs. Frank Kricher of Saint Cloud, Minnesota. This was the first time she had seen Mrs. Kricher in 12 years, so they had a good time all day talking about when they were children and played together.

It seems that the pastor and his family were the only ones from our church that attended the workers conference in Stamford last week.

Kay McCoy was dismissed from the Hamlin Hospital last Thursday morning after having been in a wreck Saturday night. She was fortunate in not having received any serious injury. The boy who was also in the wreck with her was carried to Dyess Hospital, where, after tests were made it was learned that his injuries were not serious either. He is expecting to go back to Puerto Rico real soon, where he is stationed with the armed forces.

Mrs. Winnie Hale and son, Goodwin, accompanied by Mrs. Hale's sister-in-law, spent Saturday night and Sunday with her brother, Mr. and Mrs. Woodrow Goodwin and Linda.

Mr. and Mrs. Carl Miller of Abilene visited with her cousin, Mr. and Mrs. Elmer Joiner, Sunday afternoon.

Saturday night visitors in the Jack Wright home were Mr. and Mrs. Bill Johnson and baby, Dallas, Mr. and Mrs. Jerry Hill

Barbara Embrey, Andy Shipp Set Wedding Date

Mr. and Mrs. Roy Embrey are announcing the approaching marriage of their daughter, Barbara, to Andy Shipp, son of Mrs. Ernest Shipp of Lotan.

The wedding will be Feb. 13 in Central Avenue Baptist Church with the pastor, Rev. William G. Irwin, officiating. The couple will live on a ranch near Spur where he is employed.

Twinkling Bluebirds Elect New Officers

The Twinkling Bluebird group elected officers at their meeting at the Campfire Hut Tuesday, January 12. Those elected were:

President, Luann Shira; vice president, Mignon Williams; secretary, Theresa Hambricht; and reporter, Velynda Skaggs.

The next meeting will be in the home of Mrs. Robert R. Christian. They are going to make candy.

Leaders for the group are Mrs. Jerry Waggoner and Mrs. Parker Kelly.

Ta-Wan-Ka Names Sherry Brandon Girl of Month

Sherry Brandon, seventh grade student, was recently selected as Camp Fire Girl of the month at a regular meeting of the Ta-Wan-Ka Camp Fire Girls. She is currently serving as secretary of the group.

Other officers of the group are Peggy Jones, president;

Debby Hallmark, reporter and the Fair grounds in Roby Saturday, January 9

G. W. Drummonds Plan Open House

Sunday, Jan. 31, is the date that has been set for an open house honoring Mr. and Mrs. G. W. Drummond in their new home at 130 S. W. Ave. D.

Hosting the affair will be their four sons, Jack of Marietta, Ga., Don of Petersburg, Calif. of Austin and David of the home.

Friends and neighbors are invited to visit between the hours of 2:30 and 5 p. m.

Star-spangled way to help your baby's future

Suppose somebody had started off your future with a U.S. Savings Bond. And kept adding more Bonds as your birthdays added up.

You would have had a nice send-off when you set out to conquer the world! It's still a great idea. And if you have any new boys or girls in the family you can put it into action now.

The cost is small. Only \$37.50 for each \$50 Bond—or less than 11¢ a day to buy one every birthday.

U.S. Savings Bonds will save more than money for your baby's future, too. They'll help Uncle Sam safeguard his future freedom.

Ask about buying Bonds where you work or bank. You don't have to wait for a birthday, either.

Keep freedom in your future with U.S. SAVINGS BONDS

Screwworm Eradication Officials Looking for Another Good Year

MISSION—Screwworm eradication officials are looking forward to another successful year for the program, although many stockmen feel last year's results have little room for improvement.

Only 25 cases were reported to be infected by the fly in 1964, and only 200 cases were reported. In contrast during 1963, a total of 4,916 infestations was detected in 182 counties, while 49,484 cases occurred in 242 counties in 1962.

New Mexico had only 14 outbreaks last year, compared to nearly 1,500 the previous year. Oklahoma, Arkansas and Louisiana had no infestations during 1964.

Eradication program pilots flew nearly 2.7 million miles in dispersing approximately 4.7 billion sterile screwworm flies in Texas, New Mexico, south-eastern Arizona and along the border in Mexico. Sterile flies, reared in a huge plant near Mission, mate with native flies and prevent production of offspring.

Eradication activities have reduced annual losses to Southwestern livestockmen from \$100 million to less than \$1 million since the program began in February 1962.

Officials think they can reduce losses even more in 1965 by strengthening the barrier zone between the United States and Mexico where screwworms can exist year-round. In this barrier, which is several hundred miles wide and runs from the Gulf of Mexico to the Gulf of California, sterile flies are dispersed routinely to prevent fertile screwworms from migrating into "clean" areas and causing new outbreaks.

Stockmen can also help by frequently examining their animals and promptly reporting all infestations. No screwworms have been reported in the Southwest since early in December, so outbreaks can be brought under control quickly if they are detected during early stages of development.

KEEPING UP TO DATE TIPS TO REDUCE WRINKLES

If you don't have a wash-and-wear cycle on your washing machine or dryer—yet want to use these machines for clothes made of synthetic fibers—try these suggestions. They'll help reduce wrinkling.

Wash in small loads.

Use cool or warm (never hot) water.

Wash only long enough to remove soil.

Rinse in cool water.

Shorten the water extraction times—both after washing and after rinsing.

Then use your tumbler dryer at "medium" or "low" setting. After the articles are dry, tumble them for 10 minutes without heat. Remove immediately from the dryer and hang.

NET

One of the definitions for a net is a trap or a snare. A net is used to catch a fish. There are times in every man's life when, like Job, he feels that God has trapped him in a net. Job 19:6 reads, "Know now that God hath overthrown me, and hath compassed me with his net."

But our troubles and afflictions are never caused by our God. Moreover, His Word says He is ever faithful to deliver His people. The Psalmist asserts: "Mine eyes are ever toward the Lord; for he shall pluck my feet out of the net."

How wonderful are His promises. These promises are proclaimed from the pulpit by your pastor each week for the blessing and edifying of God's people. Won't you attend church this week and partake of this blessing?

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long survive and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Follow that truck

(but if you do, plan to step lively)

You're looking at one of the busiest trucks in the world, especially this year. During 1965 Southwestern Bell's motor fleet will travel 88 million miles in the biggest construction program ever undertaken. A one-year \$350 million effort (this means up to 17,500 new jobs among the firms which sell supplies, services and materials to the telephone company) to make the world's

best telephone service even better. You will benefit directly. In cities, on farms, at home, at your office or in your car, you'll be able to call easier and faster in all kinds of weather. Next time you see a big telephone truck, take a second look. You'll be looking at rolling proof of a really massive effort to make your telephone serve you better, of more personal value to you.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

AUSTIN — The 59th Legislature, faced with the heaviest work load in state law-making history, eased into its second week with some top Senators and Representatives in the absent list. A good many legislators took off for Washington to attend the inauguration of President Johnson.

These events highlighted the Legislature's opening week: Rep. Ben Barnes of DeLeon was elected Speaker of the House by acclamation. He is the youngest speaker named since reconstruction days.

Sen. Tom Creighton of Mineral Wells was named president pro tempore of the Senate, to preside when Lt. Gov. Preston Smith is not present. In choosing

Creighton, the Senators went against tradition when they passed over Sen. A. R. Schwartz of Galveston, who was next on the seniority list. Schwartz has opposed closed door sessions.

A record \$3,500,000,000 budget bill, calling for an increase of \$97,300,000 in general revenue spending, was introduced in the Senate. Proposal calls for \$567,300,000 general revenue spending, compared to \$599,500,000 recommended by Gov. John Connally.

Lieutenant Governor Smith named full membership on 24 Senate standing committees. The Senate was thus organized and ready for business on the second day of the session.

In the House, Barnes — whose speakership campaign had to be conducted in a few days due to unexpected appointment of ex-speaker Byron Tunnell to the Railroad Commission — conferred with members day and night in an effort to speed committee appointments there.

Representatives drew priority numbers for bills.

Both houses completed appointment of employees, other necessary routine and marked time before the big battles ahead.

Despite controversial decisions to be made on congressional and legislative redistricting, big finance and other matters, Smith and Barnes expressed confidence the Legislature can complete its work within 140 days. But some lawmakers weren't so sure.

Betting Bill Shown The battle over whether Texans are going to bet on horse racing has begun again. This time Rep. Maurice Pipkin of Brownsville is introducing the race track betting bill. Last session Rep. V. E. (Red) Berry of San Antonio couldn't get it through the Legislature.

Pipkin's bill would allow both Thoroughbred and Quarter Horse racing on licensed tracks. Also, the city, county, and state could collect taxes from the track operators. Before a track could be licensed in a county, voters in that county would have to call and approve a referendum.

The bill is backed by the Texas Racing Association, which has raised more than \$150,000 from some of the most prominent men in Texas ranching and business. Opposing the association will be a group of businessmen being organized by the Texas Council of Churches and the Texas Baptist General Convention.

Pipkin said the state would get \$20,000,000 a year from a sliding tax of from four to six per cent on all bets and that the state would get millions more from increased tourism. One of the first men to speak in opposition, Rep. J. C. Whit-

field of Houston, said. The plain facts are that legalized racing and gambling not only damage the moral fiber of our people, but that the revenues they bring in are more than offset by losses in other, more legitimate fields of commerce.

Liquor Bill Introduced — A Texas Restaurant Association bill which would make legal the selling of two-ounce bottles of liquor in licensed restaurants has been introduced.

Sen. Jim Bates of Edinburg is handling it in the Senate and Rep. Willis J. Whatley is in charge of it in the House.

The bill would permit customers to fix their own drinks from the small bottles of liquor. This would go part of the way for those people who like to buy their liquor by the drink. Church groups and others will oppose it.

Redistricting Plans Seen — A committee of the Texas Legislative Council, which is made up of representatives from both houses of the Legislature, has prepared two plans for congressional redistricting.

According to a Houston federal court order, the Legislature must redraw the present 23 districts so that their populations will vary no more than five per cent from the mathematical average of 416,509 and they must do the job by August 1.

Both plans would give South Texas a new congressman. They would have a district from Laredo to South San Antonio and from Del Rio to Zapata.

Also, both plans would put parts of Dallas, Tarrant and Bexar counties with other counties to equalize district populations. This reshuffling would require some current congressmen to run against each other if they want to be re-elected in 1966.

Some legislators said they liked the plans, but many said they did not like them and that they expected plans by individual members to be proposed as soon as the introduction of bills begins.

Tax Revision Recommended — Texas Commission on State and Local Tax Policy has suggested methods of obtaining \$15,300,000 in new state revenue (per biennium) through a variety of tax revisions.

Commission said making sales tax applicable to telephone and telegraph service and other utility tax changes would pick up \$11,200,000; modernizing the inheritance tax, \$6,000,000; and removal of the sales tax exemption on farm machinery, \$9,000,000.

But not all the Commission's recommendations would mean more revenue. Losses would come from repeal of the theater admissions tax, \$1,200,000; repeal of the chain store tax, \$7,200,000; and exemption from the production tax of gas used in field operations in the same field where it is produced, \$2,500,000.

Main purpose of recommended changes is "to achieve greater equity in taxation and greater ease in administration and compliance," said the commissioner.

Governor's Appointments — William E. Berger of Hondo was appointed by Governor Connally to a six-year term on the Texas Water Commission.

Berger replaces veteran H. A. Beckwith of Eagle Pass, whose term had expired in 1963. Beckwith was named chief topographic engineer of the Commission.

Connally appointed Rep. Joe N. Chapman of Sulphur Springs judge of the Eighth District Court of Hopkins, Rains, Delta and Hunt Counties, to replace the late Judge L. L. Bowman, Jr.

Maj. Gen. Thomas S. Bishop and Brig. Gen. James D. Scott, both of Austin, were named to new teams as adjutant general and assistant adjutant general.

Connally reappointed W. A. Bond of Vernon, John R. (Dick) Fowler of Memphis and Col. John Anderson of Denison to the Red River Authority Board and named William E. Rechmuth of Wichita Falls a new member of the Board.

Mayor Ted C. Connell of Killen, a former national commander of the Veterans of Foreign Wars, was named to a four-year term on the Veterans Land Board.

R. C. Morgan of El Paso and Mrs. Bessie Heard of Houston were reappointed to the Credit Union Advisory Commission.

Governor named Wayland Rivers, Jr., of Austin and Miss Lois Gray of Fort Worth to the Board of Trustees, Teacher Retirement System; David Smith of Austin to Board of Trustees, Employees Retirement System; and P. C. Naylor, Jr., of San Antonio and Harold Chapman of Lubbock to Texas Real Es-

tate Commission.

Gen. Aubrey L. Moore of Hillsboro was appointed director-at-large of the Tri-County Municipal Water District, composed of cities in Hill, Bosque, and Johnson Counties, succeeding Jack Altaras of Cleburne.

Special Elections Set — Gov. Connally has called special elections in representative districts 15f and 11 to fill unexpired terms of Byron Tunnell and Joe Chapman.

Sixteen persons have filed for the special election to be held on February 13 for District 15f, composed of Smith and Gregg Counties. Those who have filed include 11 from Tyler, two from Kilgore and one each from Flint, Gladewater and Longview.

Nine candidates have filed for representative from District 11 — three from Mt. Pleasant,

two from Sulphur Springs, and one each from Cumbly, Mt. Vernon, Tuleo and Wimbrow.

Budget Proposals — The Legislative Budget Board, a group of top legislators which drafts the Legislature's spending proposals, has said funds for the Soil Conservation Board should be increased by \$73,928 for the next two years, including \$25,000 each year for watershed planning.

The increase for the board, which coordinates the program of the various soil conservation districts, also would include \$11,924 for the Sherman Soil Conservation District, one of the last to organize.

The Legislators' budget proposal recommends that state mental hospital administrators' salaries be raised from \$15,500 to \$20,000.

Proposal also recommends

that employees in state mental hospitals get raises.

An alternative to Governor Connally's plan unifying higher education has been drawn by the Board.

Report calls for placing all 22 state-supported four-year colleges or universities under four master boards of regents and chancellors. Texas Commission on Higher Education would be reduced from 15 to nine members but given increased powers to approve individual course offerings by all institutions.

Connally's plan calls for a central coordinating board for all universities and colleges supported by the state.

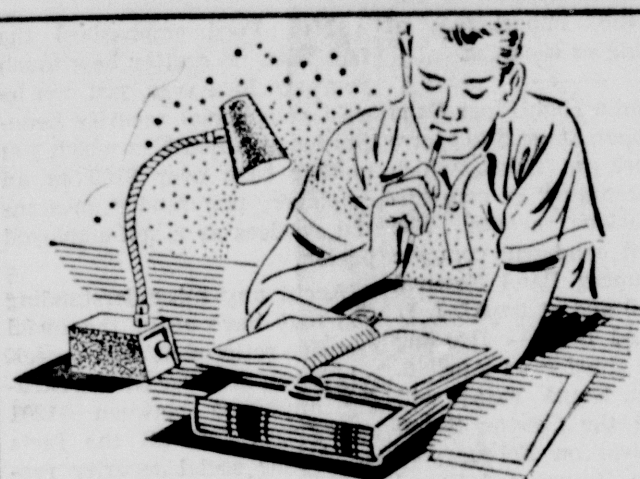

SHORT SHORTS — Atty. Gen. Waggoner Carr has held that

Texas Employment Commission can contract with U. S. Office of Economic Opportunity and Secretary of Labor to test, screen, council and refer applicants for Job Corps centers.

Gov. Connally urges youngsters to inquire about possibilities of getting vocational and academic training through Job Corps.

Sen. Dorsey B. Hardeman of San Angelo obtained quick approval of a resolution naming the building that houses the Texas Railroad Commission the Ernest O. Thompson State Building in honor of the retiring commission member.

More than 1½ million visitors a year see the Liberty Bell.

NEW BRILLIANCE FOR THE STUDENT

... with the TENSOR STUDENT LAMP, a rugged, all-metal high-intensity lamp designed specifically for student use. This mini-sized lamp weighs only 2 pounds, takes up less than six square inches on a crowded desk, yet produces a powerful, glare-free light of sun-like brilliance.

Key to its amazing performance is the Tensor-engineered transformer that steps down the voltage of a standard AC socket, steps up light intensity to the equivalent of a 100-watt conventional desk lamp.

The Tensor Student Lamp provides the perfect light for reading, for desk use at home or in the dormitory, for library work, for microscope illumination, for drafting, for dissecting, for specimen study, for model construction. It makes those last-minute cram sessions a lot easier on the eyes, too.

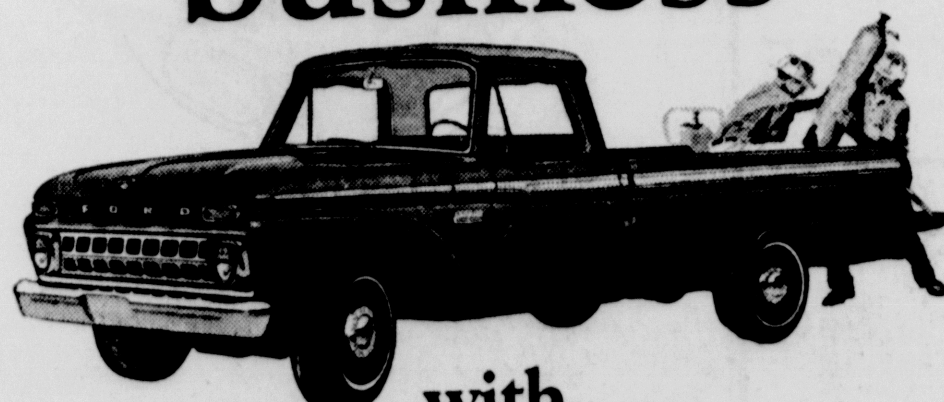

The lamp's flexible gooseneck arm and swivel reflector let you direct the light precisely where you want it. Yet it's practically tip-proof, thanks to its weighted base. It's good looking, too, with its neutral gray wrinkle finish and chrome gooseneck.

So brighten things for the student prince (or princess) in your family by getting him a Tensor Student Lamp. You'll find it encourages good reading and study habits. Warning: if there are more than one student in your household, better get a Tensor Student Lamp for each. People become very attached to their Tensors, don't surrender them easily.

THE HAMLIN HERALD
Hamlin, Texas, Thursday, January 21, 1965

You Can Earn
\$1200 and Still Draw
Social Security

"You don't have to retire completely to get social security benefits," Fay Ford, social security field representative for Hamlin, said today.

"If you earn \$1200 or less a year, you are considered to be completely retired and would be entitled to all your benefits," she said.

If you earn over \$1200 in a year, you may be considered partly retired and entitled to part of your social security benefits. For example, a worker would have only one dollar in benefits withheld for every two dollars earned between \$1200 and \$1700. For earnings over \$1700 annually, one dollar in benefits is withheld for each dollar of earnings.

Mrs. Ford emphasized the fact that, no matter how much you earn in a year, you can be paid your social security benefits for any month in which you neither earn over \$100 as an employee, nor render substantial services as a self-employed person.

Avoid any misunderstanding you may have about the social security retirement test, especially if you are over 65 and earning anywhere between \$1201 and \$3600. Get all the facts from your social security representative at Hamlin Fire Station on Jan. 26; Feb. 9 and 23 at 10 o'clock.

Visiting with Mr. and Mrs. Bob Craig and children Friday and Saturday were Mrs. Craig's parents, Mr. and Mrs. T. P. Fincher and her grandmother, Mrs. P. S. Fincher, all of Fort Griffin.

PIPER PATT—

Mary Lois Patterson Named 1965 Betty Crocker Homemaker

—by—
Nancy Ford

Marlyn Reynolds

The basketball games are the principal conversation of most of the students at Hamlin High. The Pipers, the Piperettes, and the B team boys met Anson here Tuesday night. The Pipers' next game will be on Tuesday, January 26, with Stamford. The student body is behind the teams all the way.

Saturday, January 16, the Stamford FFA were hosts at the annual Jones County Livestock Show. Several of the local FFA boys won places in the swine, cattle, and poultry divisions.

Our congratulations go to Robert Moore, Herman White, Randy George, Randy Smith, Ronnie Rogers, Donnie Jones and Doug Carlton.

Mary Lois Patterson has been named Hamlin High School's 1965 Betty Crocker Homemaker of Tomorrow. She scored highest in a written homemaking examination, and is now eligible for state and national honors. The Betty Crocker Search for the American Homemaker of Tomorrow was initiated by General Mills to emphasize the importance of homemaking as a career.

The Hamlin High Piper Band and the Piper Stage Band have begun work on music which will be presented in competition at various events. The high school band will compete at the Lamesa Band Festival on March 6 and at the U. I. L. Concert and Sight - Reading Contest in Snyder on April 6. The Piper Stage Band will compete at the Canyon Stage Band Festival on February 6 and at the Brownwood Stage Band Festival on February 20. Good luck to the Piper bands.

As Friday, January 15, ended the first semester of the year, and Monday, January 18, began the second semester, the students of Hamlin High have passed another milestone in their quest for knowledge, only to begin another.

Flameless Electric Water Heaters

New Ease of
Installation...

Economical,
Convenient

No need to stand and wait for hot water to travel from a distant water heater. Flameless electric water heaters can be installed conveniently near the point of use. No flue or vent is required for clean, quiet, flameless electricity. And now, with WTU's new low rate, a separate meter is unnecessary.

SPECIAL 1¢ RATE

The 1¢ rate in effect for residential customers of West Texas Utilities using an electric water heater adds up like this—the first 300 KWH used are calculated at the regular rate. The next 400 KWH used are calculated at the special 1¢ rate. Ask for details at any WTU office.

* Plus Fuel Cost Adjustment and Sales Tax.
FREE WIRING — to customers served by WTU who purchase an approved Electric Water Heater from a local appliance dealer or local plumbing supplier. Ask about this FREE WIRING at your local WTU office.

1965 License Plates To Go on Sale After February 1

New automobile license plates for 1965 have not arrived at Anson and Tax Assessor-Collector A. J. French said Monday that they are later than usual in being delivered.

The Texas Highway Department warehouse in Abilene has the plates in storage and they are being distributed at this time. Normally Mr. French said, the plates are in his office by Jan. 1.

"There is a lot of work that needs to be done before the plates can be placed on sale. We have a lot of work yet to do in collecting taxes so we probably will not put the tags on sale until shortly after Feb. 1," he said.

In addition to the office in the courthouse, plates also will be sold in Luaders at the city hall, in Stamford at Enis Bishop Electric, and in Hamlin at Wesley Nail's Insurance office. The new plates are white with black letters. There will be three letters and three numerals.

New License Tags Received; Sale Delayed

Automobile license plates for the new year have arrived at Anson and will be distributed to Stamford and Hamlin within the next two weeks, A. J. French, Jr., tax assessor-collector, said Monday.

The tags will go on sale shortly after the first of February and all vehicles must have the new plates by April 1. The 1964 plates will remain on sale until Feb. 1.

The new tags are white with black letters and numerals. Passenger vehicles will have tags with three letters and three numerals. There will be no vowels in the letter combination so that words can not be spelled.

Tags to be retained in the Anson office will be marked as follows for passenger cars: CZM 10 to CZM 999, CZN 10 to CZN 999, CZP 10 to CZP 999, CZR 10 to CZR 999.

Trucks: 1U 6000 to 1U 7174; farm trucks: 8H 8900 to 8H 9474.

Stamford plates will be as follows: Passenger cars: CZF 10 to CZF 999; CZG 10 to CZG 999, CZJ 10 to CZJ 999.

Trucks: 1U 4575 to 1U 5399; farm truck: 8H 8375 to 8H 8699.

Hamlin plates will bear these numbers: Passenger cars: CZJ 800 to CZJ 999, CZK 10 to CZK 999, CZL 10 to CZL 999.

Trucks: 1U 5400 to 1U 5999; farm truck: 8H 8700 to 8H 8899.

Plates are issued at Stamford at Enis Bishop Electric and in Hamlin at Wesley Nail's Insurance Office.

OLD GLORY ...

By Judy White

Junior 4-H Club

The Old Glory Community Junior 4-H Club met in the school study hall. Dewey Dunsing led the Club Motto, Pledge and Prayer. The group studied their First Aid Booklet. Tommy Pritchard and Cody Bridges furnished refreshments.

Junior 4-H'ers attended the square dance for 4-H Club members from Stonewall County at the Legion Hall in Aspermont last Thursday night. Joel Wilson of West Texas Utilities was on hand to do the calling.

Old Glory School purchased a new Chevrolet Station Wagon last week. The wagon is turquoise blue and very pretty.

Members of the Junior Class have announced that they will begin serving at 5:30 on Friday evening, January 22nd, when they sponsor a Pancake Supper in the school cafeteria. Advance tickets are 75c and 50c and can be purchased from any member of the Junior Class. Pancakes, bacon, coffee and milk will be served. The supper is set for the night Old Glory basketball teams meet. It will be an important conference game in the local gym.

J. L. Smith, superintendent, is now taking the school census for Old Glory. All children who will be six on or before September 1st of this year or under eighteen should be enumerated. If he should miss a child or children of that age it is very important that the parents contact him.

Variety Club Meets:

The Variety Club held its first meeting of the year in the home of Mrs. Garrett Spitzer on Tuesday, January 12th.

Four new members joined the club this year. They are Mrs. Bill Tipton, Mrs. Sandy Leverette, Mrs. Cliff Gholson and Mrs. William Wright.

Eleven members were present. After a business meeting, games of Bridge and 84 were played. Refreshments were served.

Basketball:

Old Glory boys won a 63-39 victory over Paint Creek in their first conference game of the season last Friday night. Jerry Hahn led the scoring for Old Glory with 27 points. Curtis Bittner and Larry Walton each scored 10 for the losers.

Old Glory girls lost. The score was 38-36. Nancy Vahlenkamp scored 16 points for our team.

Neinda Philosopher Says He Can't Estimate His Costs Any Better Than Roads Bureau

Editor's Note: — The Neinda Philosopher on his Johnson grass farm on Route 1 reviews the highway situation this week.

Dear editor:
According to an article I read in a newspaper last night, while my television set was having cable trouble, the Bureau of Public Roads has discovered it has underestimated the cost of the vast interstate highway system which is supposed to span the United States by 1972 by about \$6,000,000,000, or 6 billion, to spell it out in case The Herald doesn't have that many zeros in the plant.

Originally, they'd figured the 41,000 miles of super-highways would cost \$41 billion, or a billion dollars a thousand miles, but due to rising costs, such as higher costs of land as everybody knows farm land is worth

more in a highway than in cultivation, the cost has risen to about 47 billion dollars.

I know how these things are. You start out a year in January figuring it'll cost so much to get by on, but by the time September rolls around you find so many unexpected things have piled up your estimate was no better than the United States Bureau of Public Roads.

But what interested me in the highway article was the statement that the vast system was "designed to handle traffic 20 years beyond the design period."

As I understand it, the pro-

ject is supposed to be completed in 1972, however, they've been working on it for several years already, with 19,000 miles open to traffic and 22,000 still to go.

What this means is that by the time they get the last of it built, the first of it will be 20 years old and already out of date. It'll be like a woman wearing a 1965 hat and 1945 shoes. In other words, we're building new cars faster than we can build roads to run them on and the future looks dark unless we can step up the rate of accidents.

I don't like to stand in the way of progress, sit, maybe but not stand, but it is hard for me to figure out a place a thousand miles from here which it's worth a billion dollars worth of highway to get to. Certainly I can't imagine anybody that far away from here willing to spend that kind of money to reach this place.

This figures out to be \$1,000,000 a mile, but I guess there's some satisfaction in realizing, after you've driven 60 minutes at 60 miles an hour, you've just ridden over \$60,000,000 worth of comfort, although to tell the truth I can get almost the same comfort sitting in a four-dollar rocking chair out here on this Johnson grass farm.

Yours faithfully,
J. A.

Hamlin Youth Score Heavy in Swine Division of County Show

The annual Jones County Livestock Show was held in Stamford Saturday. About 300 exhibits were judged. Prizes for the entries included many Hamlin boys.

Herman White took first place in his class, grand champion of the breed, and over-all champion for all breeding swine with his Hampshire gilt. In fat swine his heavyweight barrow took first in the class, grand champion of the breed, and reserve champion over all fat barrows. His Hampshire in the lightweight barrow class took second.

Gil Lain won first and second in his class and grand champion of the breed in the class of Chester White breeding swine. In the division of Chester White barrows, Gil won first and second in the lightweight class and grand champion of the breed. He also won a first and grand champion of the breed with his heavyweight Duroc barrow that was also named grand champion over all.

In the pen of three broilers competition, Donnie Jones won grand champion and Doug Carlton reserve champion.

Other prizes with breeding swine included: Durocs under eight months — second, Bobby

White; Hampshires under eight months — third, Jimmy Hastings; and Chester Whites under eight months — third, Gary Batchelor.

Other places in the fat swine included: Duroc lightweights — first and third, Randy George, and second, Bobby White; Hampshire heavyweights — second, Gaylon Moore, and third, Simon Rodriguez; Chester White lightweight — third, Gary Batchelor. Other breeds, lightweight — first, Ronnie Rogers, and second, Robert Parramore.

Robert Moore won first in the breeding beef cattle females over 2 years old.

Frozen Beef and Frozen Chicken Bought for Schools

Texas schools participating in the national school lunch program have been allotted 8,022,000 lbs. of frozen beef and 2,490,000 lbs. of frozen chicken bought by the U. S. Department of Agriculture during 1964.

This represents Texas' share of the 51.9 million lbs. of chicken and 178.5 million lbs. of frozen beef purchased to help schools meet protein requirements for lunches served under the school lunch program, explained John J. Slaughter, area food distribution director of USDA's Agricultural Marketing Service.

The allotments will provide about 1½ servings of beef per child per week, and 7½ servings of chicken per child during this school year.

Around 3,320 schools operated cafeterias under the national school lunch program in 1964—the largest single feeding operation in the state. These cafeterias feed nearly 30 per cent of the students enrolled in elementary and high schools.

Under the program, USDA contributes cash and foods accounting for about one-fifth of the cost. Children's meal payments make up around 60 per cent of the cost and local and state sources pay the remaining 20 per cent.

The State Education Agency will allocate the beef and chicken among Texas schools participating in the national school lunch program and the State Department of Public Welfare will make distribution.

McCaulley Junior 4-H Meets with Mrs. A. A. Smith

The McCaulley Junior 4-H Club met Jan. 12 at the home of Mrs. A. A. Smith with 16 members and three leaders present.

Presilla Reed and Philip Cleveland led the club motto, pledge and prayer.

Bobby Smith presided and gave a demonstration on training, grooming and showing a calf. All club members lead the calf.

The adult leaders present were Mrs. A. A. Smith and Mr. and Mrs. W. D. Cleveland.

The next meeting will be Jan. 26 at the McCaulley school.

Mrs. Ethel Tankersley of Cross Plains visited with her sister, Mrs. Wood Smith, over the week end. The women were separated as children and it had been 50 years since they had seen each other.

First Suit in Jones County Seeks Divorce for Phantom City Man

The first civil suit filed in Jones county was by a man residing in Phantom City seeking a divorce from his wife who, he claimed, had abandoned his bed and board and had taken up residence in the Indian Territory. Of the first ten suits filed, three were asking divorces.

Court records are kept "forever," it would seem, for in addition to the notation in the minute book, all papers filed in cases since the county was organized in 1881, are still on file in the district clerk's office.

The first case was filed in November of 1881. But amended petitions were filed on two later occasions and the divorce was not finally granted until the spring of 1883.

Because residence of the defendant was unknown, she was cited by publication in the Abilene Weekly Reporter and an affidavit of the publisher, C. E. Gilbert, is on file. Apparently there was no newspaper in Jones County at the time. The Anson paper came into being in 1883.

The court was included in the 12th Judicial District and T. B. Wheeler was the judge. W. H. Smith was district clerk and J. P. Cole, the sheriff.

Some fine examples of handwriting appear in the early papers and longhand was the rule rather than the exception. The first typewritten petition was filed in 1886.

Rev. Fred Brown, formerly

of Hamlin, and now pastor of the First Methodist Church in Turkey, is recovering in the Groom Memorial hospital, Groom, Texas, following surgery there last Wednesday morning for the removal of the gall bladder and appendix. Rev. Brown, in a telephone conversation Wednesday morning, said he was feeling fine, hopes to return to Turkey Saturday. He has been a patient in Groom since Dec. 23 when he was admitted with an apparent heart condition. Indications are now that the surgery will help to relieve the unfavorable heart symptoms.

Mr. and Mrs. Charles Simpson of Hamlin are the parents of a son born Jan. 15 at 7:28 a. m. He weighed 7 lbs. 9 oz. and was named Charles Dru.

Mr. and Mrs. John Ledsmar of Hamlin are the parents of a son born Jan. 18 at 6:07 a. m. He weighed 6 lbs. 15 oz. and was named John Ledsmar, Jr.

Scouts to Open MOD Drive With Blockade

The annual March of Dimes drive will open here Saturday morning with the Scouts of Troop 43 holding a street blockade downtown from 10 a. m. until noon, according to Bob

QUACKY, THE STORYBOOK CLOWN to perform here for March of Dimes

Quacky to Perform for March of Dimes Sun.

Quacky, the story book clown, will pull into Hamlin Sunday afternoon in his polka-dotted Cadillac and a polka-dotted trailer to put on a benefit show for the March of Dimes at the Rogue Theatre at 3:30.

Quacky will be in Hamlin following several shows in Abilene including the March of Dime Teen-age Program Carnival and parade. He will go from here to Rotan Sunday afternoon to put on a performance at the theatre there.

Proceeds from the show here Sunday will go to the Jones County Chapter of the March of Dimes.

A veteran March of Dimes

performer, Quacky has been doing benefit shows since 1948. So, about this time every year he gets the March of Dimes fever. His personal experience with a birth defect baby has sold him on the March of Dimes research to prevent and correct birth defects.

In real life Quacky is Eddy Vaughn, president of a sales promotion consulting business in Haysville, Kan. Quacky does magic tricks, twists balloons into animal shapes and creates illusions. He is a voluntary, non-paid performer.

"My biggest paycheck is having some little kid look right into my face and say, 'Momma, he's real.'"

Craig, president of the Hamlin Lions Club, sponsors of the Hamlin polio drive.

The drive which will continue through the end of January will feature the appearance of "Quacky" the storybook clown at the Rogue Theatre Sunday and the annual Mother's March Friday, January 29.

Bill Longley of Stamford who is Jones County Chairman for the March of Dimes this year says that the county fund went in the red this past year and that every effort needs to be made this year to make up this deficit and to build up a reserve in the fund.

Mr. Longley said that while new polio cases have just about stopped in the county there are still quite a few children who contacted the disease back before the vaccines that need assistance every year.

The boy scouts will hold their blockade at the red light downtown Saturday morning and will also work the downtown streets, according to J. O. Murphree, scoutmaster.

"Quacky" the clown will be on the stage at the Rogue Theatre at 3:30 Sunday afternoon auctioning off balloons and taking up donations for the March of Dimes. Darwin Barnes, theatre manager, has made the arrangements for the clown to be here for the afternoon performance following his appearance at Abilene.

Mrs. Jack Vaughn, president of the Parent - Teachers Association, said this week that the women of the P-T A will take part in the Mother's March this year. Mrs. Elwood Ham-bright, chairman and Mrs. R. L. Goodgame of the Public Affairs Committee will draft plans for the drive.

Donations will also be taken up for the MOD in the first six grades of the local school system.

Services Held Here Saturday for Leo Parker; Dies Friday

Services were held here Saturday at 2 p. m. in the First Methodist Church for Leo Parker, 44, a lifetime resident of the Hamlin area. He died Friday at Hendrick Memorial Hospital at 4:15 Friday where he had been hospitalized for six days.

Born May 11, 1920, at McCaulley, he was the son of the late Mr. Ira Parker and Mrs. Ruby Talmadge of Hamlin. He was married to the former Louise Jenkins at Durant, Okla., Dec. 12, 1950.

He was employed in construction work. He was a member of the First Methodist Church where services were conducted by the pastor, Rev. Royce Womack. Burial was in Hamlin East Cemetery.

Survivors include his wife; his mother, a daughter, Mrs. Janice Cochran of Littlefield; a brother, Kenneth of Hamlin. Pallbearers were Leonard Johnson, Tucker Newland, Cleo Perryman, George Batchelor, Willard Maberry and Ray Mayberry.

Boy Scout Fund Drive to Start Here Thursday

The annual Boy Scout fund drive will get underway here this Thursday (today) with a briefing meeting to be held at Bunnie's Restaurant at 5:30 p. m. for all workers, according to Weldon Johnson and Harold Bonner, local chairmen for the drive.

The drive is usually held in the fall but this year it has been delayed until this time. There has been two meetings held here in planning the drive and lining up the workers.

There are 112 boys taking part in the Scouting program in Hamlin this year with boys in the Cub, Scout and Explorer programs.

Pipers Break Losing Streak, Down Tigers

The Pipers edged out the Anson Tigers here Tuesday night to end a three game losing streak and even up their district mark at 3-3 at the end of the first round of play. The Pipers won the 5-AA contest 53-48.

The Hamlin five jumped to a 16 to 7 lead in the first quarter but then saw the Tigers tie it up by half time. They picked up three points in the third period and two more in the final stanza to win by five points.

Anson's Andrus was the game's high point man with 20 points. Shivers hit 14 for the Pipers, followed by Pearce and Cumble with 12 each.

Anson won the "B" game 31-27.

The Pipers are off Friday night and will host Stamford here next Tuesday.

Father of Mrs. Donley Williams Dies in Rochester

Services were held Monday at 10 a. m. in Rochester First Baptist Church for Ernest Gary Bishop, 73, father of Mrs. Donley Williams. Mr. Bishop, a retired West Texas Utilities accountant who died in Knox County Hospital in Knox City, Saturday was a Mason and a member of the Baptist Church.

Rev. E. V. Brooks, pastor, conducted the service. Burial was in Cedar Hill Cemetery in Abilene.

Surviving are his wife, Dolly, a teacher in the Rochester public school system; three daughters, Mrs. Williams (Jayne) of Hamlin; Mrs. Peggy Newman of Abilene and Mrs. Rex Dozier of Mangla, West Pakistan; four sisters and six grandchildren.

Junior Class Play To Be Presented Here January 28

"You Can't Take It With You", will be presented by the Junior Class on Thursday evening, Jan. 28, at 7:30 p. m. in the high school auditorium.

There's a laugh a minute in this entirely different story of a perfectly wacky family. Each member goes his own way, but never forgets to consult Grandpa, the patriarch and all-wise counselor.

Photo Contest Winners Named

Winners in the children's photo contest have been announced by Winston B. Lucas of Irving.

First place was Melissa Corrigan, daughter of Mr. and Mrs. W. B. Corrigan; second was Russell Boyl Crowley, son of Mr. and Mrs. James Crowley; and third was Jamie Louise Watson, daughter of Mr. and Mrs. Troy Watson.

Decisions for Future Texas Water Needs Must Be Made Soon

Initial decisions for water supplies needed for the next century will have to be made in this decade if Texas' growth and prosperity are to be assured, according to a Texas Research League report issued today.

The report also concludes that sound foundations for State leadership in water development have already been laid, but that some broadening of financial powers, realignment of administrative functions and expansion of authority for existing agencies will be required.

The League report, entitled, "The Structure and Authority for State Leadership of Water Development in Texas," is the first of four bulletins planned by the League. The reports summarize the results of a two-year study jointly requested by the Texas Water Commission, the Water Development Board and the Water Pollution Control Board.

In the first report it is recommended that the engineering and planning functions of the

Texas Water Commission be transferred to the Water Development Board, which would then have full responsibility for developing a State Water Plan and promoting its implementation. The Board would have the financial resources and authority to make loans or investments for local project development, to cooperate in federal projects, or to initiate State projects where no other suitable authority was prepared to undertake the task.

Under the proposed realignment, the Texas Water Commission would revert to its pre-1957 role as a water rights administration agency, but it would be given expanded responsibilities for clarifying existing water rights, adjudicating disputes and protecting both the public interest and private rights in future water development. The role of the Commission is being spelled out in detail in the League's second report, due for release in the near future.

Primary emphasis is laid in

the League's report on the implementation of a State Water Plan, now being prepared by the Texas Water Commission at the request of Governor Connally. The report concludes that the prestige of the State, its Governor and its water leaders has been committed to the task of State leadership in water development. Failure to follow through on this commitment would be a major blow to responsible State government.

Noting that State leadership is needed to coordinate the separate plans of the many local and federal water agencies, the report states that the current conflict over uses of the waters of the Colorado River between upstream and downstream claimants and various economic interests is the "products of a passive State role." The report also notes that both local and federal agency spokesmen have welcomed Governor Connally's decisive action in providing State leadership for water planning. With Governor Connally's action, the first objective of the League's study was realized.

Concluding that the Water Development Fund provides an

effective basis for State participation in water project finance, the League report points out that fund is "upside down" in the purposes for which it may be used. Up to \$100 million may be loaned by the Water Development Board on "thin" deals to local agencies which can obtain no other financing. Though serving a worthy purpose, this feature applies principally to small local projects which do not reach the major State needs for water development.

The "investment" feature of the fund, by which the State may buy storage in local or federal projects to encourage their optimum development, is limited to a total State commitment of \$50 million. Yet this second feature will be much more useful in implementation of a State Water Plan.

The purposes for which State investments may be made should be broadened to include buying or building conveyance

works for transporting water from reservoirs to wholesale purchasers, the League recommends. And the total \$200 million authorized by Constitutional amendment should be made available by enabling legislation.

No criticism of existing agencies or personnel is implied in the proposed changes which are intended only to strengthen the State's leadership role, the League report states. Both the Texas Water Commission and the Water Development Board have done an excellent job within the context of their present responsibilities and authority.

Pointing out that no new State agencies would be created and no great additional appropriations would be required in the next biennium, the League report states that the recommended changes would not disturb

the historic responsibilities of local and federal water development agencies. They would provide the most effective and economical development of the State's most valuable natural resource.

Mrs. A. A. Hackley Elected President Woman's Literary

Mrs. A. A. Hackley was elected president of the Woman's Literary Club at the Friday afternoon meeting in the home of Mrs. J. W. McCrary.

Other officers elected for the coming year were: Mrs. R. D. Moore, first vice president; Mrs. Bob Craig, second vice president; Mrs. A. B. Carlton, recording secretary; Mrs. A. A. Wade, corresponding secretary; Mrs. W. A. Cassle, treasurer; Mrs. C. F. Cook, parliamentarian; Mrs. J. W. McCrary, musician; Mrs. Joe Simpson, reporter and Mrs. L. M. McBride, oratorian.

Mrs. John D. Ferguson, vice president, presided in the absence of the president, Mrs. Donley Williams.

Mrs. C. F. Cook made a report concerning the Sears Roebuck Club Projects.

Mrs. Hackley showed colored slides of her trip to Europe. She was assisted by Mrs. McCrary who made the trip also.

Also included in the presentation were slides of the Big Bend country of Texas, Mexico and Canada.

Mrs. Moore closed the program with a poem, "Prayer for Vacations" by Burleson.

The next meeting will be held in the home of Mrs. C. F. Cook, Feb. 5 when the book, "The Wooden Horseshoe" will be re-

FAIRVIEW NEWS

By MRS. ELMER JOHNSON

Ever one out our way has settled down to work once again, after the beginning of a new year. This time of year the farmer is always optimistic this just might be the year that he makes another bumper crop, some times it is just the opposite, it is one of those years that he just gets by, but he is used to it so he just comes up for air again the next year, it is all in the farming game.

Not so many are ill as were last week, but attendance was very light in services, both times Sunday. Seems that several families had company and viewed by Mrs. Ferguson.

Officers will be installed April 15:

when just a few miss, they are really missed.

Mr. and Mrs. Henry are still not feeling up to coming out, we understand he is better, but she still isn't up to par. We hope she soon feels her usual spry self again.

Sunday night visitors were Mrs. Tanner and Larry, Abilene, who had spent the day with her daughter, Rev. and Mrs. Leverett and girls.

Rev. Kenneth Leverett will leave Monday for Dallas, where he will attend the Evangelism Conference, held in that city, which will last through Wednesday.

Forty-eight people were present last Friday night, in the home of Mr. and Mrs. Woodrow Goodwin, when their friends met with them to celebrate their moving into a new home. Many beautiful gifts were brought. After the gifts were opened by the honorees, refreshments of coffee, punch and home made cookies were served. Their new home is situated in the south part of Hamlin, being just another farmer going into town, as he will continue to farm.

Mrs. Fred Rosenbaum visited with Mrs. Henry Friday afternoon.

Sunday afternoon, Mr. and Mrs. Rosenbaum went to Anson where they visited with Mr. and Mrs. Thomas Moss.

Visitors of Mr. and Mrs. Winson Gray Sunday were two of Mrs. Gray's cousins, Mrs. Melba Archibald and four children from Abilene, Mr. and Mrs. Frank Kricher of Saint Cloud, Minnesota. This was the first time she had seen Mrs. Kricher in 12 years, so they had a good time all day talking about when they were children and played together.

It seems that the pastor and his family were the only ones from our church that attended the workers conference in Stamford last week.

Kay McCoy was dismissed from the Hamlin Hospital last Thursday morning after having been in a wreck Saturday night. She was fortunate in not having received any serious injury. The boy who was also in the wreck with her was carried to Dyess Hospital, where, after tests were made it was learned that his injuries were not serious either. He is expected to go back to Puerto Rico real soon, where he is stationed with the armed forces.

Mrs. Winnie Hale and son, Goodwin, accompanied by Mrs. Hale's sister-in-law, spent Saturday night and Sunday with her brother, Mr. and Mrs. Woodrow Goodwin and Linda.

Mr. and Mrs. Carl Miller of Abilene visited with her cousin, Mr. and Mrs. Elmer Joiner, Sunday afternoon.

Saturday night visitors in the Jack Wright home were Mr. and Mrs. Bill Johnson and baby, Dallas, Mr. and Mrs. Jerry Hill

Barbara Embrey, Andy Shipp Set Wedding Date

Mr. and Mrs. Roy Embrey are announcing the approaching marriage of their daughter, Barbara, to Andy Shipp, son of Mrs. Ernest Shipp of Iotan.

The wedding will be Feb. 13 in Central Avenue Baptist Church with the pastor, Rev. William G. Irwin, officiating. The couple will live on a ranch near Spur where he is employed.

and children, Jal, New Mexico, and Mr. and Mrs. Don Wittie and children, Snyder.

Beginning next Sunday night, in the Training Union time, our church will begin a Study Course which will be the book of Deuteronomy. One session will be held each Sunday night and a double one on Wednesday night until it is finished. The pastor will do the teaching, a chore for which he is well suited as he teaches all day, five days a week.

Twinkling Bluebirds Elect New Officers

The Twinkling Bluebird group elected officers at their meeting at the Campfire Hut Tuesday, January 12. Those elected were:

President, Luann Shira; vice president, Miron Williams; secretary, Theresa Hambricht; and reporter, Velynda Skaggs.

The next meeting will be in the home of Mrs. Robert R. Christian. They are going to make candy.

Leaders for the group are Mrs. Jerry Waggoner and Mrs. Parker Kelly.

Ta-Wan-Ka Names Sherry Brandon Girl of Month

Sherry Brandon, seventh grade student, was recently selected as Camp Fire Girl of the month at a regular meeting of the Ta-Wan-Ka Camp Fire Girls. She is currently serving as secretary of the group.

Other officers of the group are Peggy Jones, president;

Buick Special V-6 goes easy on gas.

Its low price goes hard on your resistance.

We put 6 big reasons to buy a Buick Special under the hood. And another small one on the price tag. The six are a set of the liveliest, thriftiest cylinders that ever zipped you merrily on your way. They're all arranged in neat, smooth V-fashion. They add up to 225 cubic inches and 155 horsepower, and make other arrangements of 6 cylinders seem primitive. That's not all. Special sports Buick comfort, Buick style and traditional Buick quality. The price tag? We saved the best for last.

\$2343.00

Star-spangled
way to help
your
baby's future

Suppose somebody had started off your future with a U.S. Savings Bond. And kept adding more Bonds as your birthdays added up.

You would have had a nice send-off when you set out to conquer the world! It's still a great idea. And if you have any new boys or girls in the family you can put it into action now.

The cost is small. Only \$37.50 for each \$50 Bond—or less than 11¢ a day to buy one every birthday.

U.S. Savings Bonds will save more than money for your baby's future, too. They'll help Uncle Sam safeguard his future freedom.

Ask about buying Bonds where you work or bank. You don't have to wait for a birthday, either.

Keep freedom in your future with

Screwworm Eradication Officials Looking for Another Good Year

MISSION—Screwworm eradication officials are looking forward to another successful year for the program, although many stockmen feel last year's results leave little room for improvement.

Officials say the program was successful in 1964, but the 1965 season is unproven. In contrast during 1963, a total of 4,916 infestations was detected in 182 counties, while 49,484 cases occurred in 242 counties in 1962.

New Mexico had only 14 outbreaks last year, compared to nearly 1,500 the previous year. Oklahoma, Arkansas and Louisiana had no infestations during 1964.

Eradication program pilots flew nearly 2.7 million miles in dispersing approximately 4.7 billion sterile screwworm flies in Texas, New Mexico, southeastern Arizona and along the border in Mexico. Sterile flies, reared in a huge plant near Mission, mate with native flies and prevent production of off-spring.

Eradication activities have reduced annual losses to Southwestern livestockmen from \$100 million to less than \$1 million since the program began in February 1962.

Officials think they can reduce losses even more in 1965 by strengthening the barrier zone between the United States and Mexico where screwworms can exist year-round. In this barrier, which is several hundred miles wide and runs from the Gulf of Mexico to the Gulf of California, sterile flies are dispersed routinely to prevent fertile screwworms from migrating into "clean" areas and causing new outbreaks.

Stockmen can also help by frequently examining their animals and promptly reporting all infestations. No screwworms have been reported in the Southwest since early in December, so outbreaks can be brought under control quickly if they are detected during early stages of development.

KEEPING UP TO DATE TIPS TO REDUCE WRINKLES

If you don't have a wash-and-wear cycle on your washing machine or dryer—yet want to use these machines for clothes made of synthetic fibers—try these suggestions. They'll help reduce wrinkling.

Wash in small loads. Use cool or warm (never hot) water.

Wash only long enough to remove soil.

Rinse in cool water. Shorten the water extraction times—both after washing and after rinsing.

Then use your tumbler dryer at "medium" or "low" setting. After the articles are dry, tumble them for 10 minutes without heat. Remove immediately from the dryer and hang.

NET

One of the definitions for a net is a trap or a snare. A net is used to catch a fish. There are times in every man's life when, like Job, he feels that God has trapped him in a net. Job 19:6 reads, "Know now that God hath overthrown me, and hath compassed me with his net."

But our troubles and afflictions are never caused by our God. Moreover, His Word says He is ever faithful to deliver His people. The Psalmist asserts: "Mine eyes are ever toward the Lord; for he shall pluck my feet out of the net."

How wonderful are His promises. These promises are proclaimed from the pulpit by your pastor each week for the blessing and edifying of God's people. Won't you attend church this week and partake of this blessing?

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Follow that truck

(but if you do, plan to step lively)

You're looking at one of the busiest trucks in the world, especially this year. During 1965 Southwestern Bell's motor fleet will travel 88 million miles in the biggest construction program ever undertaken. A one-year \$350 million effort (this means up to 17,500 new jobs among the firms which sell supplies, services and materials to the telephone company) to make the world's best telephone service even better. You will benefit directly. In cities, on farms, at home, at your office or in your car, you'll be able to call easier and faster in all kinds of weather. Next time you see a big telephone truck, take a second look. You'll be looking at rolling proof of a really massive effort to make your telephone serve you better, of more personal value to you.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

AUSTIN — The 59th Legislature, faced with the heaviest work load in state law-making history, eased into its second week with some top Senators and Representatives in the absent list. A good many legislators took off for Washington to attend the inauguration of President Johnson. These events highlighted the Legislature's opening week.

NEW BRILLIANCE FOR THE STUDENT

... with the TENSOR STUDENT LAMP, a rugged, all-metal high-intensity lamp designed specifically for student use. This mite-sized lamp weighs only 2 pounds, takes up less than six square inches on a crowded desk, yet produces a powerful, glare-free light of sun-like brilliance.

Key to its amazing performance is the Tensor-engineered transformer that steps down the voltage of a standard AC socket, steps up light intensity to the equivalent of a 100-watt conventional desk lamp.

The Tensor Student Lamp provides the perfect light for reading, for desk use at home or in the dormitory, for library work, for microscope illumination, for drafting, for dissecting, for specimen study, for model construction. It makes those last-minute cram sessions a lot easier on the eyes, too.

Let the lamp's flexible gooseneck arm and swivel reflector let you direct the light precisely where you want it. Yet it's practically tip-proof, thanks to its weighted base. It's good looking, too, with its neutral gray wrinkle finish and chrome gooseneck.

So brighten things for the student prince (or princess) in your family by getting him a Tensor Student Lamp. You'll find it encourages good reading and study habits. Warning: if there are more than one student in your household, better get a Tensor Student Lamp for each. People become very attached to their Tensors, don't surrender them easily.

Tensor Student Lamp: \$995

Creighton, the Senators went against tradition when they passed over Sen. A. R. Schwartz of Galveston, who was next on the seniority list. Schwartz has opposed closed door sessions.

A record \$3,500,000,000 budget bill, calling for an increase of \$97,300,000 in general revenue spending, was introduced in the Senate. Proposal calls for \$567,300,000 general revenue spending, compared to \$566,500,000 recommended by Gov. John Connally.

Lieutenant Governor Smith named full membership on 24 Senate standing committees. The Senate was thus organized and ready for business on the second day of the session.

In the House, Barnes — whose speakership campaign had to be conducted in a few days due to unexpected appointment of ex-speaker Byron Tunnell to the Railroad Commission — conferred with members day and night in an effort to speed committee appointments there.

Representatives drew priority numbers for bills. Both houses completed appointment of employees, other necessary routine and marked time before the big battles ahead.

Despite controversial decisions to be made on congressional and legislative redistricting, big finance and other matters, Smith and Barnes expressed confidence the Legislature can complete its work within 140 days. But some lawmakers weren't so sure.

Betting Bill Shown The battle over whether Texans are going to bet on horse racing has begun again. This time Rep. Maurice Pipkin of Brownsville is introducing the race track betting bill. Last session Rep. V. E. (Red) Berry of San Antonio couldn't get it through the Legislature.

Pipkin's bill would allow both Thoroughbred and Quarter Horse racing on licensed tracks. Also, the city, county, and state could collect taxes from the track operators. Before a track could be licensed in a county, voters in that county would have to call and approve a referendum.

The bill is backed by the Texas Racing Association, which has raised more than \$150,000 from some of the most prominent men in Texas ranching and business. Opposing the association will be a group of businessmen being organized by the Texas Council of Churches and the Texas Baptist General Convention.

Pipkin said the state would get \$20,000,000 a year from a sliding tax of from four to six per cent on all bets and that the state would get millions more from increased tourism. One of the first men to speak in opposition, Rep. J. C. Whit-

field of Houston, said, "The plain facts are that legalized racing and gambling not only damage the moral fiber of our people, but that the revenues they bring in are more than offset by losses in other, more legitimate fields of commerce."

Liquor Bill Introduced — A Texas Restaurant Association bill which would make legal the selling of two-ounce bottles of liquor in licensed restaurants has been introduced.

Sen. Jim Bates of Edinburg is handling it in the Senate and Rep. Willis J. Whatley is in charge of it in the House.

The bill would permit customers to fix their own drinks from the small bottles of liquor. This would go part of the way for those people who like to buy their liquor by the drink. Church groups and others will oppose it.

Redistricting Plans Seen — A committee of the Texas Legislative Council, which is made up of representatives from both houses of the Legislature, has prepared two plans for congressional redistricting.

According to a Houston federal court order, the Legislature must redraw the present 23 districts so that their populations will vary no more than five per cent from the mathematical average of 416,509 and they must do the job by August 1.

Both plans would give South Texas a new congressman. They would have a district from Laredo to South San Antonio and from Del Rio to Zapata.

Also, both plans would put parts of Dallas, Tarrant and Bexar counties with other counties to equalize district populations. This reshuffling would require some current congressmen to run against each other if they want to be re-elected in 1966.

Some legislators said they liked the plans, but many said they did not like them and that they expected plans by individual members to be proposed as soon as the introduction of bills begins.

Tax Revision Recommended — Texas Commission on State and Local Tax Policy has suggested methods of obtaining \$15,300,000 in new state revenue (per biennium) through a variety of tax revisions.

Commission said making sales tax applicable to telephone and telegraph service and other utility tax changes would pick up \$11,200,000; modernizing the inheritance tax, \$6,000,000; and removal of the sales tax exemption on farm machinery, \$9,000,000.

But not all the Commission's recommendations would mean more revenue. Losses would come from repeal of the theater admissions tax, \$1,200,000; repeal of the chain store tax, \$7,200,000; and exemption from the production tax of gas used in field operations in the same field where it is produced, \$2,500,000.

Main purpose of recommended changes is "to achieve greater equity in taxation and greater ease in administration and compliance," said the commission.

Governor's Appointments — William E. Berger of Hondo was appointed by Governor Connally to a six-year term on the Texas Water Commission.

Berger replaces veteran H. A. Beckwith of Eagle Pass, whose term had expired in 1963. Beckwith was named chief topographic engineer of the Commission.

Connally appointed Rep. Joe N. Chapman of Sulphur Springs judge of the Eighth District Court of Hopkins, Rains, Delta and Hunt Counties, to replace the late Judge L. L. Bowman, Jr.

Maj. Gen. Thomas S. Bishop and Brig. Gen. James D. Scott, both of Austin, were named to new teams as adjutant general and assistant adjutant general.

Connally reappointed W. A. Bond of Vernon, John R. (Dick) Fowler of Memphis and Col. John Anderson of Denison to the Red River Authority Board and named William E. Rechmuth of Wichita Falls a new member of the Board.

Mayor Ted C. Connell of Killeen, a former national commander of the Veterans of Foreign Wars, was named to a four-year term on the Veterans Land Board.

R. C. Morgan of El Paso and Mrs. Bessie Heard of Houston were reappointed to the Credit Union Advisory Commission.

Governor named Wayland Rivers, Jr., of Austin and Miss Lois Gray of Fort Worth to the Board of Trustees, Teacher Retirement System; David Smith of Austin to Board of Trustees, Employees Retirement System; and P. C. Naylor, Jr., of San Antonio and Harold Chapman of Lubbock to Texas Real Es-

tate Commission.

Gen. Aubrey L. Moore of Hillsboro was appointed director-at-large of the Tri-County Municipal Water District, composed of cities in Hill, Bosque, and Johnson Counties, succeeding Jack Altaras of Cleburne.

Special Elections Set — Governor Connally has called special elections in representative districts 15f and 11 to fill unexpired terms of Byron Tunnell and Joe Chapman.

Sixteen persons have filed for the special election to be held on February 13 for District 15f, composed of Smith and Gregg Counties. Those who have filed include 11 from Tyler, two from Kilgore and one each from Flint, Gladewater and Longview.

Nine candidates have filed for representative from District 11—three from Mt. Pleasant, two from Sulphur Springs, and one each from Cumby, Mt. Vernon, Talco and Wimbrow.

Budget Proposals — The Legislative Budget Board, a group of top legislators which drafts the Legislature's spending proposals, has said funds for the Soil Conservation Board should be increased by \$73,928 for the next two years, including \$25,000 each year for watershed planning.

The increase for the board, which coordinates the program of the various soil conservation districts, also would include \$11,924 for the Sherman Soil Conservation District, one of the last to organize.

The Legislators' budget proposal recommends that state mental hospital administrators' salaries be raised from \$15,500 to \$20,000.

Proposal also recommends

that employees in state mental hospitals get raises.

An alternative to Governor Connally's plan unifying higher education has been drawn by the Board.

Report calls for placing all 22 state-supported four-year colleges or universities under four master boards of regents and chancellors. Texas Commission on Higher Education would be reduced from 15 to nine members but given increased powers to approve individual course offerings by all institutions.

Connolly's plan calls for a central coordinating board for all universities and colleges supported by the state.

SHORT SHORTS — Atty. Gen. Waggoner Carr has held that

Texas Employment Commission can contract with U. S. Office of Economic Opportunity and Secretary of Labor to test, screen, council and refer applicants for Job Corps centers. Governor Connally urges youngsters to inquire about possibilities of getting vocational and academic training through Job Corps. Sen. Dorsey B. Hardeman of San Angelo obtained quick approval of a resolution naming the building that houses the Texas Railroad Commission the Ernest O. Thompson State Building in honor of the retiring commission member.

Specialist Expects Feed Grain Prices to Average Higher This Year

COLLEGE STATION — Feed grain supplies for the present marketing year are down six per cent from last year; demand is expected to remain high and prices probably will average a little higher during the 1964-65 marketing year than for the year just passed, says John G. McHaney, Extension economist of Texas A&M University.

Supplies have dropped during three of the last four years and the carryover at the beginning of the 1965-66 marketing year is expected to be around the 58 million ton level. This compares with a carryover of 69 million tons at the start of the present marketing year and the record 85 million tons in 1961-62. The reduced carryover is the result of a 1964 feed grain crop estimated at 10 to 12 million tons below total disappearance.

Feed grain acreage, according to the economist, was down 5 per cent from 1963 and 21 per cent below the 1959-60 average, the base period for the Feed Grain Program. Fewer acres and lower yields in 1964 accounted for the 12 percent drop in total production.

Livestock feeding rates have been influenced by rising feed costs and declining prices for livestock and livestock products. Domestic use of feed grains is expected to drop slightly during the present marketing year. Exports, on the other hand, are expected to equal or perhaps exceed last year's record of 18.7 million tons, says McHaney.

The economist believes prices will continue the general upward movement of the past three years. Prices received by farmers rose slightly in 1963-64 from the year before and were

up about 10 per cent above the post-war low of 1960-61.

The sorghum grain supply is about 8 per cent below that of a year ago resulting from a smaller acreage harvested and lower per acre yields. Domestic use of sorghum grains expected to show little change for the 1964-65 year but exports are expected to continue near the high level of the past two years, says the economist. Thus, he adds, the carryover into the 1965-66 could be as much as 10 per cent below the carryover of October 1, 1964.

New License Tags Received; Sale Delayed

Automobile license plates for the new year have arrived at Anson and will be distributed to Stamford and Hamlin within the next two weeks, A. J. French, Jr., tax assessor-collector, said Monday.

The tags will go on sale shortly after the first of February and all vehicles must have the new plates by April 1. The 1964 plates will remain on sale until Feb. 1.

The new tags are white with black letters and numerals. Passenger vehicles will have tags with three letters and three numerals. There will be no vowels in the letter combination so that words can not be spelled.

Tags to be retained in the Anson office will be marked as follows for passenger cars: CZM 10 to CZM 999, CZN 10 to CZN 999, CZP 10 to CZP 999, CZR 10 to CZR 999.

Trucks: 1U 6000 to 1U 7174; farm trucks: 8H 8900 to 8H 9474.

Stamford plates will be as follows: Passenger: CZF 10 to CZF 999; CZG 10 to CZG 999; CZJ 10 to CZJ 999.

Trucks: 1U 4575 to 1U 5399; farm truck: 8H 8375 to 8H 8699.

Hamlin plates will bear these numbers: Passenger cars: CZJ 800 to CZJ 999, CZK 10 to CZK 999, CZL 10 to CZL 999.

Trucks: 1U 5400 to 1U 5999; farm truck: 8H 8700 to 8H 8899.

Plates are issued at Stamford at Enis Bishop Electric and in Hamlin at Wesley Nail's Insurance Office.

PIPER PATTERN—

Mary Lois Patterson Named 1965 Betty Crocker Homemaker

—by— Nancy Ford Carolyn Reynolds Carolyn Reynolds

The basketball games are the principal conversation of most of the students at Hamlin High. The Pipers, the Piperettes, and the B team boys met Anson here Tuesday night. The Pipers' next game will be on Tuesday, January 26, with Stamford. The student body is behind the teams all the way.

Saturday, January 16, the Stamford FFA were hosts at the annual Jones County Livestock Show. Several of the local FFA boys won places in the swine, cattle, and poultry divisions. Our congratulations go to Robert Moore, Herman White, Randy George, Randy Smith, Ronnie Rogers, Donnie Jones and Doug Carlton.

Mary Lois Patterson has been named Hamlin High School's 1965 Betty Crocker Homemaker of Tomorrow. She scored highest in a written homemaking examination, and is now eligible for state and national honors. The Betty Crocker Search for the American Homemaker of Tomorrow was initiated by General Mills to emphasize the importance of homemaking as a career.

The Hamlin High Piper Band and the Piper Stage Band have begun work on music which will be presented in competition at various events. The high school band will compete at the Lamesa Band Festival on March 6 and at the U. I. L. Concert and Sight - Reading Contest in Snyder on April 6. The Piper Stage Band will compete at the Canyon Stage Band Festival on February 6 and at the Brownwood Stage Band Festival on February 20. Good luck to the Piper bands.

As Friday, January 15, ended the first semester of the year, and Monday, January 18, began the second semester, the students of Hamlin High have passed another milestone in their quest for knowledge, only to begin another.

Colonel Schwartz stressed that these youths will not be considered for the armed forces at this time. Normally, draft for service is about age 22.

Only 119 men are scheduled for induction in the month of February, compared to 229 for January. This is the lowest induction call since July 1964, when the quota was 119.

The state quota of 119 for February is the Texas share of a national call for 3,000 men, all for the Army.

The February quotas already have been figured and sent to the state's 137 local boards.

You Can Earn \$1200 and Still Draw Social Security

"You don't have to retire completely to get social security benefits," Fay Ford, social security field representative for Hamlin, said today.

"If you earn \$1200 or less a year, you are considered to be completely retired and would be entitled to all your benefits," she said.

If you earn over \$1200 in a year, you may be considered partly retired and entitled to part of your social security benefits. For example, a worker would have only one dollar in benefits withheld for every two dollars earned between \$1200 and \$1700. For earnings over \$1700 annually, one dollar in benefits is withheld for each dollar of earnings.

Mrs. Ford emphasized the fact that, no matter how much you earn in a year, you can be paid your social security benefits for any month in which you neither earn over \$100 as an employee, nor render substantial services as a self-employed person.

Avoid any misunderstanding you may have about the social security retirement test, especially if you are over 65 and earning anywhere between \$1201 and \$3600. Get all the facts from your social security representative at Hamlin Fire Station on Jan. 26; Feb. 9 and 23 at 10 o'clock.

Visiting with Mr. and Mrs. Bob Craig and children Friday and Saturday were Mrs. Craig's parents, Mr. and Mrs. T. P. Fincher and her grandmother, Mrs. P. S. Fincher, all of Fort Griffin.

Flameless Electric Water Heaters

New Ease of Installation... Economical, Convenient

No need to stand and wait for hot water to travel from a distant water heater. Flameless electric water heaters can be installed conveniently near the point of use. No flue or vent is required for clean, quiet, flameless electricity. And now, with WTU's new low rate, a separate meter is unnecessary.

SPECIAL 1¢ RATE The 1¢ rate in effect for residential customers of West Texas Utilities using an electric water heater adds up like this—the first 300 KWH used are calculated at the regular rate. The next 400 KWH used are calculated at the special 1¢ rate. Ask for details at any WTU office.

* Plus Fuel Cost Adjustment and Sales Tax. FREE WIRING — to customers served by WTU who purchase an approved Electric Water Heater from a local appliance dealer or local plumbing supplier. Ask about this FREE WIRING at your local WTU office.

OLD GLORY ...

By Judy White

Junior 4-H Club

The Old Glory Community Junior 4-H Club met in the school study hall, Dewey Densending led the Club Motto, Pledge and Prayer. The group studied their First Aid Booklet. Tommy Pritchard and Cody Bridges furnished refreshments.

Junior 4-H's attended the square dance for 4-H Club members from Stonewall County at the Legion Hall in Aspermont last Thursday night. Joel Wilson of West Texas Utilities was on hand to do the calling.

Old Glory School purchased a new Chevrolet Station Wagon last week. The wagon is turquoise blue and very pretty.

Members of the Junior Class have announced that they will begin serving at 5:30 on Friday evening, January 22nd, when they sponsor a Pancake Supper in the school cafeteria. Advance tickets are 75c and 50c and can be purchased from any member of the Junior Class. Pancakes, bacon, coffee and milk will be served. The supper is set for the night Old Glory basketball teams meet. Rule for an important conference game in the local gym.

J. L. Smith, superintendent, is now taking the school census for Old Glory. All children who will be six on or before September 1st of this year or under eighteen should be enumerated. If he should miss a child or children of that age it is very important that the parents contact him.

Variety Club Meets:

The Variety Club held its first meeting of the year in the home of Mrs. Garrett Spitzer on Tuesday, January 12th.

Four new members joined the club this year. They are Mrs. Bill Tipton, Mrs. Sandy Leverette, Mrs. Cliff Gholson and Mrs. William Wright.

Eleven members were present. After a business meeting, games of Bridge and 84 were played. Refreshments were served.

Basketball:

Old Glory boys won a 63-39 victory over Paint Creek in their first conference game of the season last Friday night. Jerry Hahn led the scoring for Old Glory with 27 points. Curtis Bittner and Larry Walton each scored 10 for the losers.

Old Glory girls lost. The score was 38-36. Nancy Vahlenkamp scored 16 points for our team.

Neinda Philosopher Says He Can't Estimate His Costs Any Better Than Roads Bureau

Editor's Note: — The Neinda Philosopher on his Johnson grass farm on Route 1 reviews the highway situation this week.

Dear editor:

According to an article I read in a newspaper last night while my television set was having cable trouble, the Bureau of Public Roads has discovered it has underestimated the cost of the vast interstate highway system which is supposed to span the United States by 1972 by about \$6,000,000,000, or 6 billion, to spell it out in case The Herald doesn't have that many zeros in the plant.

Originally, they'd figured the 41,000 miles of super-highways would cost \$41 billion, or a billion dollars a thousand miles, but due to rising costs, such as higher costs of land as everybody knows farm land is worth

more in a highway than in cultivation, the cost has risen to about 47 billion dollars.

I know how these things are. You start out a year in January figuring it'll cost so much to get by on, but by the time September rolls around you find so many unexpected things have piled up your estimate was no better than the United States Bureau of Public Roads. But what interested me in the highway article was the statement that the vast system was "designed to handle traffic 20 years beyond the design period."

As I understand it, the project is supposed to be completed in 1972, however, they've been working on it for several years already, with 19,000 miles open to traffic and 22,000 still to go.

What this means is that by the time they get the last of it built, the first of it will be 20 years old and already out of date. It'll be like a woman wearing a 1965 hat and 1945 shoes. In other words, we're building new cars faster than we can build roads to run them on and the future looks dark unless we can step up the rate of accidents.

I don't like to stand in the way of progress, sit, maybe but not stand, but it is hard for me to figure out a place a thousand miles from here which it's worth a billion dollars worth of highway to get to. Certainly I can't imagine anybody that far away from here willing to spend that kind of money to reach this place.

This figures out to be \$1,000,000 a mile, but I guess there's some satisfaction in realizing, after you've driven 60 minutes at 60 miles an hour, you've just ridden over \$60,000,000 worth of comfort, although to tell the truth I can get almost the same comfort sitting in a four-dollar rocking chair out here on this Johnson grass farm.

Yours faithfully,
J. A.

Seventh Grade Test Scores Returned

Scores have been received for achievement tests and mental ability tests for seventh grade students. The achievement tests were given to seventh grade students earlier this year.

Parents wishing to see their child's scores for either or both tests should get in touch with the junior high principal's office.

Hamlin Youth Score Heavy in Swine Division of County Show

The annual Jones County Livestock Show was held in Stamford Saturday. About 300 exhibits were judged. Prizes for the entries included many Hamlin boys.

Herman White took first place in his class, grand champion of the breed, and over-all champion for all breeding swine with his Hampshire gilt. In fat swine his heavyweight barrow took first in the class, grand champion of the breed, and reserve champion over all fat barrows. His Hampshire in the lightweight barrow class took second.

Gil Lain won first and second in his class and grand champion of the breed in the class of Chester White breeding swine. In the division of Chester White barrows, Gil won first and second in the lightweight class and grand champion of the breed. He also won a first and grand champion of the breed with his heavyweight Duroc barrow that was also named grand champion over all.

In the pen of three broilers competition, Donnie Jones won grand champion and Doug Carlton reserve champion.

Other prizes with breeding swine included: Durocs under eight months — second, Bobby

White; Hampshires under eight months — third, Jimmy Hastings; and Chester Whites under eight months — third, Gary Batchelor.

Other places in the fat swine included: Duroc lightweights — first and third, Randy George, and second, Bobby White; Hampshire heavyweights — second, Gaylon Moore, and third, Simon Rodriguez; Chester White lightweight — third, Gary Batchelor. Other breeds, lightweight — first, Ronnie Rogers, and second, Robert Parramore.

Robert Moore won first in the breeding beef cattle females over 2 years old.

Frozen Beef and Frozen Chicken Bought for Schools

Texas schools participating in the national school lunch program have been allotted 8,022,000 lbs. of frozen beef and 2,490,000 lbs. of frozen chicken bought by the U. S. Department of Agriculture during 1964.

This represents Texas' share of the 51.9 million lbs. of chicken and 178.5 million lbs. of frozen beef purchased to help schools meet protein requirements for lunches served under the school lunch program, explained John J. Slaughter, area food distribution director of USDA's Agricultural Marketing Service.

The allotments will provide about 1½ servings of beef per child per week, and 7½ servings of chicken per child during this school year.

Around 3,320 schools operated cafeterias under the national school lunch program in 1964—the largest single feeding operation in the state. These cafeterias feed nearly 30 per cent of the students enrolled in elementary and high schools.

Under the program, USDA contributes cash and foods accounting for about one-fifth of the cost. Children's meal payments make up around 60 per cent of the cost and local and state sources pay the remaining 20 per cent.

The State Education Agency will allocate the beef and chicken among Texas schools participating in the national school lunch program and the State Department of Public Welfare will make distribution.

McCaulley Junior 4-H Meets with Mrs. A. A. Smith

The McCaulley Junior 4-H Club met Jan. 12 at the home of Mrs. A. A. Smith with 16 members and three leaders present.

Presilla Reed and Philip Cleveland led the club motto, pledge and prayer.

Bobby Smith presided and gave a demonstration on training, grooming and showing a calf. All club members lead the calf.

The adult leaders present were Mrs. A. A. Smith and Mr. and Mrs. W. D. Cleveland.

The next meeting will be Jan. 26 at the McCaulley school.

Mrs. Ethel Tankersley of Cross Plains visited with her sister, Mrs. Wood Smith, over the week end. The women were separated as children and it had been 50 years since they had seen each other.

First Suit in Jones County Seeks Divorce for Phantom City Man

The first civil suit filed in Jones county was by a man residing in Phantom City seeking a divorce from his wife who, he claimed, had abandoned his bed and board and had taken up residence in the Indian Territory. Of the first ten suits filed, three were asking divorces.

Court records are kept "forever," it would seem, for in addition to the notation in the minute book, all papers filed in cases since the county was organized in 1881, are still on file in the district clerk's office.

The first case was filed in November of 1881. But amended petitions were filed on two later occasions and the divorce was not finally granted until the spring of 1883.

Because residence of the defendant was unknown, she was cited by publication in the Abilene Weekly Reporter and an affidavit of the publisher, C. E. Gilbert, is on file. Apparently there was no newspaper in Jones County at the time. The Anson paper came into being in 1883.

The court was included in the 12th Judicial District and T. B. Wheeler was the judge. W. H. Smith was district clerk and J. P. Cole, the sheriff.

Some fine examples of early writing appear in the hand papers and longhand was the rule rather than the exception. The first typewritten petition was filed in 1886.

Rev. Fred Brown, formerly

of Hamlin, and now pastor of the First Methodist Church in Turkey, is recovering in the Groom Memorial hospital, Groom, Texas, following surgery there last Wednesday morning for the removal of the gall bladder and appendix. Rev. Brown, in a telephone conversation Wednesday morning, said he was feeling fine, hopes to return to Turkey Saturday. He has been a patient in Groom since Dec. 23 when he was admitted with an apparent heart condition. Indications are now that the surgery will help to relieve the unfavorable heart symptoms.

Mr. and Mrs. Charles Simpson of Hamlin are the parents of a son born Jan. 15 at 7:28 a. m. He weighed 7 lbs. 9 oz. and was named Charles Dru.

Mr. and Mrs. John Ledsmar of Hamlin are the parents of a son born Jan. 18 at 6:07 a. m. He weighed 6 lbs. 15 oz. and was named John Ledsmar, Jr.
